Edwin Espinosa is a dancer since 2005. He is from Bogotá, Colombia. Edwin initiated his profession as a dancer when he worked in a Tango restaurant in Bogotá. He worked as a waiter and this restaurant organized Milongas and hosted Tango teachers on weekends. Edwin started to dance with the ladies visiting the Milongas. During his work he would always keep one eye on the classes. After work he would practice what he had seen. Soon he began to go to all the Milongas in Bogotá. Edwin says learned to dance Tango in the Milongas. After this, he felt he wanted to be a professional Tango dancer, he went to a dance school in Bogotá to learn different dance techniques, because he knew you need a broad basis to become a professional dancer.

By 2008 he was National Tango Champion in Colombia for three times. In 2011 he met Alexa and traveled to Medellín to dance with her. They worked hard together and after 6 months they traveled back to Bogotá for work in different Tango shows in restaurants and theaters.
